Dear Parents,

Bethel Baptist Preschool's main priority continues to be the health and safety of our families and our community. Based on the guidance of the Virginia Department of Health and other public health experts and in keeping with our policy of following the closures of Chesterfield County Public Schools, we have decided that Bethel Baptist Preschool will be closed beginning on Monday, March 16 through Friday, March 27. We hope to return to school on March 30, but will continue to monitor the evolution of the health situation and to put in place the most effective measures to safeguard the wellbeing of our students, teachers and staff. We understand this is difficult for our families and we appreciate your understanding as we all navigate this uncertain time. Thank you for your patience as we try to respond faithfully and hopefully.

During this period, we will continue to monitor the developments and guidance from the various public health experts. Please understand that this is a day to day; hour to hour event as information is constantly changing. Please continue to check your email for additional communication and guidance.

This was a difficult decision to make and was not taken lightly. We will miss your precious children and families during this time, but know that we can't wait to welcome you back through the doors of Bethel Baptist Church as soon as possible. Stay Healthy!

If you have any questions or concerns, please don't hesitate to contact me via email or phone.

Sincerely,

Carter Cosgrove – Director
Bethel Baptist Preschool
